We may not have access to marble in order to make our own statue, but we definitely have access to pen and paper!

DRAW FOUR HEROES OF YOUR OWN

write down their names below
and think... is your Hero, after all,
an Everyday figure, like your family
and friends?

MARCOS BOTSARIS

ACTIVITY LEVEL 3

**You don't need to create Botsaris.
You can make your very own Hero!**

**YOU CAN MAKE YOUR OWN
SCULPTURE, OF YOUR OWN
HERO, USING AIR-DRY CLAY*.**

*You can visit an arts & crafts shop to buy clay that dries on its own, with no firing necessary. If you want, you can even order it online!

DO YOU KNOW

In which major European capital do you find a metro station named after the Hero?

Do we have busts of Heroes from other countries displayed in public spaces in our own country?

DISCUSSION

What does it mean when a Hero is recognized in another country, and why do you think this happens?

Glue the photo of the sculpture you created HERE.
